SCHOOL TRANSPORT & TRAVEL GUIDE

2024-2025

WELCOME

Scan to make a booking!

Thank you for taking the time to look at our School Transport & Travel Guide for the 2024 - 2025 academic year. This guide sets out the wide range of travel options available to the girls at Notre Dame School, delivered by our trusted providers each day.

Our school coach service is managed on our behalf by Vectare, a specialist school transport management company. All bookings for our school coach routes should be made via our online booking system, which can be accessed at notredame.vectare.co.uk. The website allows you to book travel 24/7 from anywhere in the world, and payment for all coach services are made digitally, at the time of booking. Charges for the school coach service are not therefore placed on the school bill. By using this latest technology, all students are digitally registered as they board and alight the coach each morning and afternoon.

Further information such as timetable information and a full network map can be viewed in the following pages. If you are a current coach user, please check for possible changes to your stop.

The school coach service continues to be the most sustainable form of travel, and with increased traffic, we encourage girls to use the coach service where possible, and to make their journey as 'green' as possible. We have also ensured the network connects with National Rail and London Underground services at key locations, allowing parents to drop their daughters off at the coach and go to work via public transport. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our school coach network, please do not hesitate to contact us from the school transport website – notredame.vectare.co.uk.

FIVE-STAR SERVICE

All of our routes are operated with Notre Dame School minibuses, or by reputable local coach operators. We take pride in ensuring that all vehicle maintenance is of the highest standard, giving you peace of mind that your daughter is travelling to and from school in safety and comfort.

We use dedicated drivers who work on the same route. These drivers get to know the pupils and are subject to an enhanced disclosure and barring service check (DBS) and full MiDAS or CPC training.

Bookings can be made at any time, via the online booking service. All annual passes are paid for on a termly basis, and you can simply pay by credit or debit card at the time of booking. Subject to availability, bookings can also be made during the middle of each academic term.

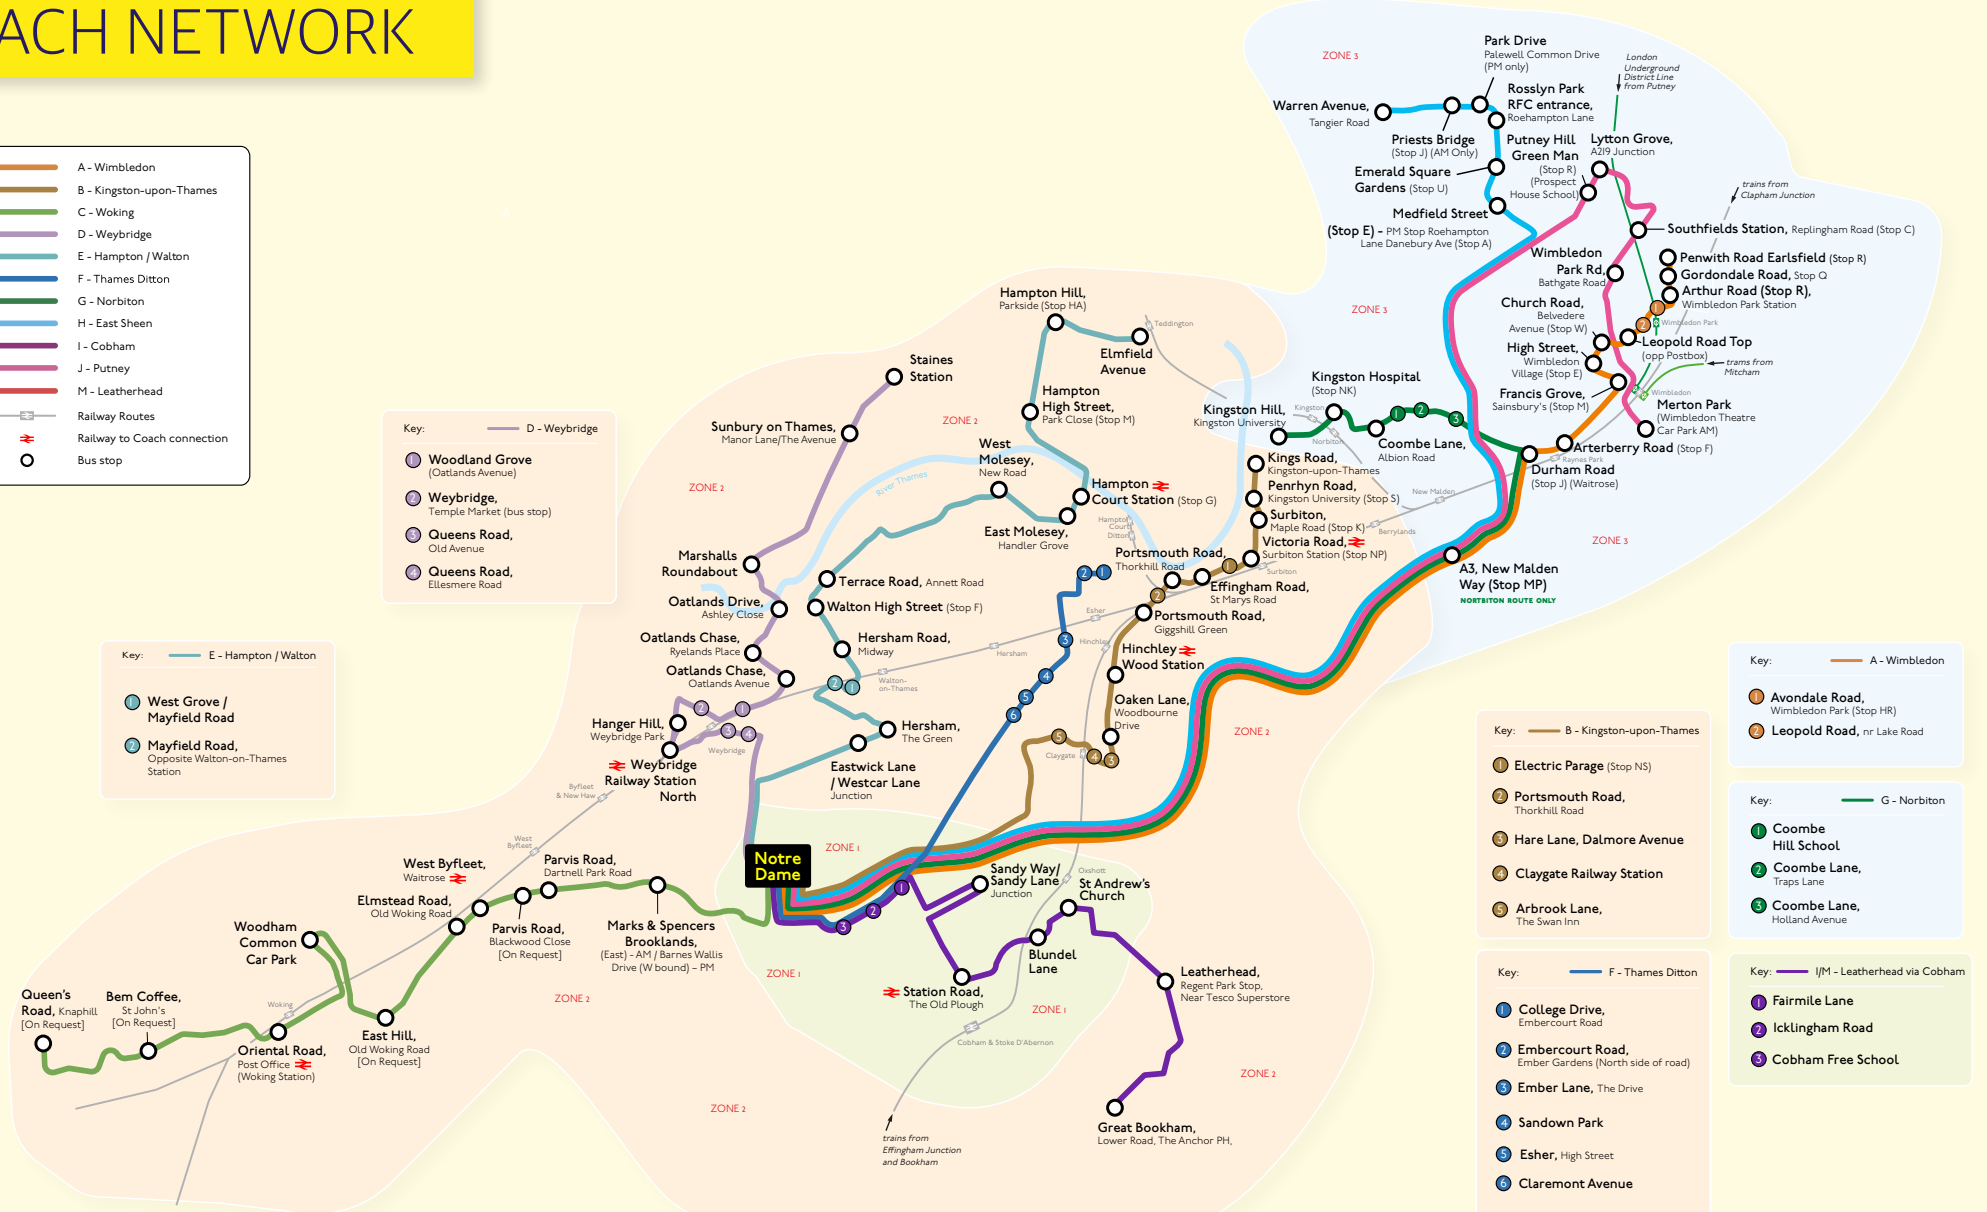

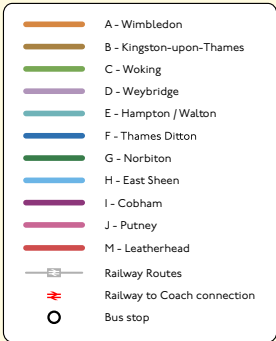

Our school coach network consists of 50+ coach stops, and we also have direct links from National Rail and London Underground stations. We want to offer you a travel solution that works best for you and your daughter, so if you need any assistance working out the best route to school, then please do get in touch.

It takes less than 30 seconds to find your nearest coach stop online, and booking takes only a few minutes, so all of the information you need to arrange travel for your daughter is at your fingertips! To find your nearest stop or to book your daughter's travel, visit notredame.vectare.co.uk.

COACH NETWORK

FARES

The school coach service operates on a zonal fare structure, with charges based on the distance travelled instead of on a route-by-route basis. There are also differing charges for each term, reflecting the different number of journeys undertaken in each term.

	Zone 1	Zone 2	Zone 3
Return Travel			
Autumn	£511.98	£639.49	£836.72
Spring	£478.95	£598.23	£782.74
Summer	£388.11	£484.77	£634.29

One-Way Travel			
Autumn	£430.06	£512.19	£668.92
Spring	£402.32	£479.14	£625.77
Summer	£326.02	£388.27	£507.09

Single-Trip Travel			
All year	£8.10	£10.00	£13.00

The most cost-effective travel option for your daughter is to purchase an annual return pass. These are available at a significant discount compared with purchasing ad-hoc travel. A smaller discount is also available for those purchasing annual bus passes for one direction only (AM or PM). The cost per journey is higher for ad-hoc journeys due to the variable nature of this travel requirement.

All annual bus passes are billed termly, via the online booking system, so you don't have to pay for the entire bus pass up front. Payment must be made by the start of each term in order to guarantee the place.

A replacement bus pass can be purchased at anytime for £15.00.

TERMS & CONDITIONS

1. This agreement is made between all school coach passengers, their parents and Notre Dame School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Notre Dame School provides a school coach service. Parents are responsible for their daughters at all times including both prior to and after boarding and alighting.
3. Transport on the school coach service must be arranged in advance and paid for through the online booking system. If you wish for your daughter to use the School Coach Service on an ad-hoc basis, or to vary the details of their coach travel as a one-off, you should book travel via the website prior to travel. A charge of £790, £988 or £12.61 per single journey is levied for individual trips depending on location. We try to accommodate all students using the services, and priority is given to regular travel users on a first come, first served basis. We are not able to guarantee a seat for a non-regular or ad-hoc users and that the coach capacity is structured around the numbers of regular coach users that sign up by the deadline.
4. Bookings on the school coach service are non-refundable in the event of a pupil failing to travel.
5. Bookings are to be made online via the transport booking system at notredame.vectare.co.uk.
6. Each pupil for whom an online form has been submitted will be added to a coach list detailing the service they travel on, their coach stop and what travel has been paid for. Their name will appear on a list, which will be checked by the driver.
7. It will be the parent's responsibility to inform Vectare via the Contact Us form on the website if they no longer wish for their daughter to use the school coach service. One full term's notice must be given by a parent prior to the removal of a pupil from the school coach service (apart from an ad-hoc journey).
8. No pupil is permitted to travel on the school coach service if not pre-booked for that coach. Other arrangements for journeys to and from school must be made by them or their parents.
9. Pupils must travel to and from Notre Dame School in full school uniform (except on approved non-uniform days).
10. Pupils should be at the coach stop five minutes before the scheduled time of departure, to ensure they don't miss the coach.
11. Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, playing music, or any other misbehaviour is strictly forbidden.
12. Except when embarking or disembarking, all passengers must remain seated with their seatbelts fastened correctly.
13. Whilst on a school coach, all passengers must accept without question the authority of a member of Notre Dame School staff, transport company official, school prefect or coach monitor, who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
14. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school coach service.
15. Notre Dame School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late; however, timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time.
16. Pupils must be in Year 3 or above to travel on the school coach service.
