Our School

Notre Dame is an independent Catholic Day School set in 26 acres of beautiful, rural Surrey parkland. We warmly welcome families of all faiths and none.

At Notre Dame School, we are unashamedly holistic, and our 700 students from aged 2-18 are at the centre of everything we do. We focus on **Happiness and Success** – in that order. We are profoundly committed to this educational philosophy and through it we fulfil our aim of providing an exemplary **all-round education**. The academic, creative, physical, moral and intellectual challenges expected in all good schools, complete with state-of-the-art facilities, are balanced with fun and laughter and a trusting and compassionate atmosphere which enables everyone in our community to be the best possible versions of themselves.

For more than 400 years, pastoral care has been embedded at the heart of our approach to education. This is not at the expense of academic rigour. Rather, it forms the bedrock on which academic excellence is built: happy, comfortable and secure children and young women make confident and successful learners. All our students, from the smallest to our Sixth Formers, have access to our wonderful grounds and on-site facilities – all-weather sports pitches, indoor swimming pool, professional theatre, gymnasium, sports hall, music rooms, dedicated science laboratories, libraries and woodland forest school.

Notre Dame School is proud to have been shortlisted for the Best Independent Girls' School of the Year Award 2025.

Heritage & Ethos

The Company of Mary Our Lady was founded in Bordeaux in 1607 by **St Jeanne de Lestonnac** to educate girls of all faiths and is the oldest recognised educational order in the world. Today there are more than 300 CoMOL schools, educational foundations and projects across 26 countries.

Notre Dame School is the only one in the UK.

Our foundress, St Jeanne de Lestonnac, a mother of 5 children, was a progressive and dedicated educator. She grew up in an intellectual and cultured family and was exposed to many different religious and philosophical perspectives. **Her forward-thinking approach to education is as fresh and modern today**, and we strive to live up to her indomitable spirit and drive and remain committed to her mission statement:

“
