Our School

Notre Dame is an independent Catholic Day School set in 26 acres of beautiful, rural Surrey parkland. We warmly welcome families of all faiths and none.

At Notre Dame School, we are unashamedly holistic, and our 700 students from aged 2-18 are at the centre of everything we do. We focus on **Happiness and Success** – in that order. We are profoundly committed to this educational philosophy and through it we fulfil our aim of providing an exemplary **all-round education**. The academic, creative, physical, moral and intellectual challenges expected in all good schools, complete with state-of-the-art facilities, are balanced with fun and laughter and a trusting and compassionate atmosphere which enables everyone in our community to be the best possible versions of themselves.

For more than 400 years, pastoral care has been embedded at the heart of our approach to education. This is not at the expense of academic rigour. Rather, it forms the bedrock on which academic excellence is built: happy, comfortable and secure children and young women make confident and successful learners. All our students, from the smallest to our Sixth Formers, have access to our wonderful grounds and on-site facilities – all-weather sports pitches, indoor swimming pool, professional theatre, gymnasium, sports hall, music rooms, dedicated science laboratories, libraries and woodland forest school.

Notre Dame School is proud to have been shortlisted for the Best Independent Girls' School of the Year Award 2025.

“Accompanying young people in their efforts to build their lives for today and tomorrow.”

Heritage & Ethos

The Company of Mary Our Lady was founded in Bordeaux in 1607 by **St Jeanne de Lestonnac** to educate girls of all faiths and is the oldest recognised educational order in the world. Today there are more than 300 CoMOL schools, educational foundations and projects across 26 countries.

Notre Dame School is the only one in the UK.

Our foundress, St Jeanne de Lestonnac, a mother of 5 children, was a progressive and dedicated educator. She grew up in an intellectual and cultured family and was exposed to many different religious and philosophical perspectives. **Her forward-thinking approach to education is as fresh and modern today**, and we strive to live up to her indomitable spirit and drive and remain committed to her mission statement:

“*No one is educated in isolation; it is the whole community that educates.*”

St Jeanne de Lestonnac – Foundress

”

“
*Pupils display genuine
kindness and respect
for one another.*”

The Role

Position Title

Head of Physics

Reporting to

Head of Science

The function of the post

Our Head of Departments in our Science Team plays a vital role in facilitating our outstanding Science curriculum.

Located in our brand-new state-of-the-art ND innovation centre, they inspire our girls across all three Sciences, across all three key stages. They are responsible for delivering our curriculum, building upon our successful extracurricular programme and maintaining our high level of safety and safeguarding.

This is a fast-paced, diverse role that requires managing multiple tasks simultaneously and thinking on your feet. It is one of our busiest areas of the school, and a function that is loved by our girls.

Main Duties & Responsibilities

Key Objectives

- Lead the Physics department, the extra-curricular physics programme and its team members to run a successful department, supporting the Head of Science to achieve the same in the whole department.
- Provide a challenging, positive, stimulating, and secure learning environment for students.
- Contribute to cross-curricular activities within the school.
- Ensure health and safety regulations are adhered to, and safety procedures are followed.
- Plan and resource well-structured lessons, in line with the school's ethos and curriculum.
- Contribute to extracurricular activities.
- Planning and preparing courses and lessons.
- Teaching, according to their educational needs, the pupils assigned to the teacher, including the setting and marking of work to be carried out by the pupils in the school and elsewhere.
- Promoting the general progress and well-being of individual pupils and any class or group of pupils assigned to the teacher.
- Providing guidance and advice to pupils on educational and social matters; making relevant records and reports.
- Making records of and reports on the personal and social needs of pupils.
- Communicating and consulting with the parents of pupils.
- Communicating and co-operating with persons or bodies outside the school.
- Participating in meetings arranged for any of the purposes described above.
- Participating in the running of after-school clubs, organising and/or attending school trips, assisting with and/or attending tournaments, competitions and matches, participating in such other school events as the Head may require.
- Assessing, recording and reporting on the development, progress and attainment of pupils.

The Person

Based onsite five days a week, with occasional event commitments, the successful candidate will lead the Physics department in delivering an impactful student experience that enhances their education, extracurricular interactions and pastoral wellbeing.

Working with the other Science Department members, you will ensure that our outstanding Science provision is consistent, high-quality, and well-being-focused, while maintaining exceptional safeguarding.

A desirable candidate will have:

- QTS
- A Strong background in Physics at GCSE and A-Level
- Excellent organisational and time management skills, with the ability to work independently and as a team, being supportive to colleagues and delegating, as necessary.
- Ability to work safely with hazardous equipment and chemicals.
- Strong attention to detail
- Strong oral and written communication skills
- Strong ICT skills and a readiness to use new technologies
- The ability to liaise professionally with a range of internal and external stakeholders
- The ability to work accurately at speed, safe and under pressure

Health and Safety

All employees have a legal duty to ensure the safety of themselves and all the pupils and staff within the school as detailed in the Health and Safety at Work Act 1974.

Data Protection

All employees should familiarise themselves with and follow the Data Protection guidelines and practices.

Safeguarding

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

The duties and responsibilities contained within this job description may change from time to time according to the requirements of the role and it is not intended to have contractual effect

“

"The School is highly successful in meeting its aim of preparing young people for their role as responsible citizens of the wider world."
